Registration Times

April 7 from 10 a.m. to 12 p.m. and 4 p.m. to 6 p.m. to sign up new members and renew membership dues. If you cannot attend the registration day, you can pay your \$25 dues at the Pro Shop the first day you play. You can also request the Daily Play book at the Pro Shop. A league opening season gift and Daily Play book will be available to the first 100 that come in person. (Some items will also be for sale for \$5.) Golfing will be open play anytime throughout the day, weather permitting.

First League Day

April 14th will be the first day to pay your \$3 for daily play. The Yellow score cards will be available to record your scores. The League Coordinator will collect your cards and post scores. (Do not post your score for league day.) A box will be provided to collect the cards after play.

Tee Times

Nibley members can call the Pro Shop (801 483-5418 and select Option 1, to speak to the Pro Shop) a week in advance and reserve a tee time instead of booking on-line. You may also reserve your tee time for the following week on the reservation sheet at the desk the day you play.

Utah Golf Association (UGA) membership

Utah Golf Association (UGA) membership and a GHIN number is required to be an active Nibley member. You can renew your membership or become a new UGA member by paying dues (\$36) online at www.uga.org. Your membership is active one year from the time of payment. If your UGA membership is inactivated from your previous membership, you should renew it before the first day of league play. Our women's league website may be found at www.nibleypark.com. You can check your daily play and tournament results each week and for any updates to scheduling.

Changes

The green fees increased by a \$1 this year but the cart fee reduced by \$2. Philip King is the Head Pro at Nibley. He will be available in the afternoons on league day. If you have any suggestions for merchandise or other concerns, please let him know. If you play City courses, consider purchasing a City Loyalty card to save money on green fees and merchandise.

We hope our League will continue to grow this year. Please welcome new or returning members to join you if you don't have a full group.
